Applicant

* Please fill in even if the mother is widowed or divorced.

** The place of origin is the mother's place of permanent or temporary residence at the time of the birth, to be established by a statement from the mother.

*** If the child and the parents do not have a valid Hungarian passport, identity card or nationality certificate, the documents have to be submitted to the Office of Immigration and Nationality's Nationality Directorate for a nationality check, in order to ascertain the person's Hungarian nationality.

**** The nationality of the foreign party has to be proved as well (by presenting copy of his/her passport, national identity card, etc.)
